**RE: 9th Avenue and U.S. Scrap Sites -- DeMert & Dougherty, Inc.**

Dear Mr. Kowalski:

On behalf of DeMert & Dougherty, I attended the June 9, 1988 meeting of Potentially Responsible Parties (PRP) regarding the above-referenced sites. You stated at the meeting that the information distributed at the meeting and to be distributed within the next few weeks is intended to does satisfy individual FOIA requests unless a PRP specifically objects. On behalf of DeMert & Dougherty, I renew our FOIA request because the information distributed and to be distributed does not satisfy the FOIA request we filed.

Specifically, I renew our request for any information the Agency has linking DeMert to the Sites, all technical information on the Sites including, but not limited to all RI/FS reports, all Ten Point Documents, all On Scene Coordinator's Reports, all RMP Reports, all Enforcement Decision Documents, all Pollution Reports, all analytical results and all cost documentation.

In addition, I did not receive a copy of the handout distributed at the meeting which contained maps and other materials regarding both sites. I would also like a copy of that handout.

As I stated in my previous letter, DeMert & Dougherty cannot respond to the Agency's information request until we have received this information, particularly the statement by Mr. Steve Martell and Mr. Martell's customer list.

Very truly,
